LIVING QUARTERS RT

Living Quarters-RT floorplans are designed, built and supported by Pace American at Pace American. Often, others manufacturers outsource these interiors. The Living Quarters option is a Pace specialty. And the RT package adds even more value to the line. Our reputation for building trailers with premium quality construction, innovative features, custom interiors and the best service after the sale keeps us ahead of the industry. Also, Pace's luxury Living Quarters and Lounge trailers are Recreational Vehicle Industry Association (RVIA) approved. This means our interiors are built to higher standards. When your race team wants an economical trailer that's got it all, with all of the conveniences of home, and a race shop in the back; consider our RT package.
